

Remarks

The foregoing amendment is responsive to the Office Communication mailed 02/21/07 for the above referenced patent application. In that Office Communication, the Examiner noted inconsistencies in the drawings and the Brief Description of the Drawings in the specification. By the present Amendment, Applicants have corrected the inconsistencies cited by the Examiner.

Conclusion

In view of Applicants correction of the patent application, Applicants respectfully submit that the patent application is now in condition for issuance. Applicants respectfully request the Examiner to allow the patent application to issue.

Respectfully submitted,

Hirano et al.
